

# WINS TECH LIMITED

## YOUR FACTORY-DIRECT PARTNER FOR PRECISION MANUFACTURING

From Prototype to Mass Production—We  
Deliver High-Precision CNC Machining &  
Stainless Steel Floats Customized Solutions.

ESTABLISHED 2012|ZHEJIANG,CHINA

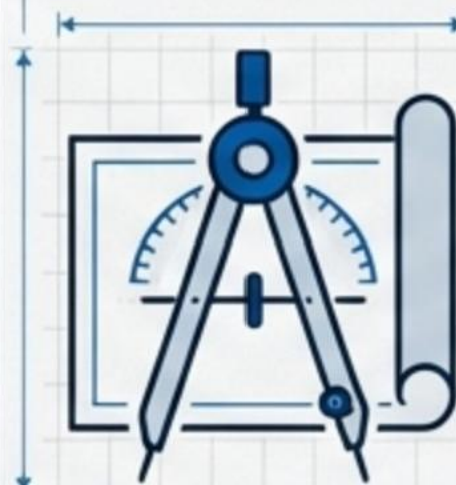

# SIX REASONS GLOBAL CLIENTS TRUST WINS TECH

## FACTORY DIRECT

Original Manufacturer (OEM/ODM).  
No middlemen.  
Lower costs.

## UNMATCHED CUSTOMIZATION

We accept any drawing. High-mix, low-volume support.

## PRODUCTION CAPACITY

Advanced 3/4/5-axis CNC centers and laser machining.

## UNCOMPROMISING QUALITY

ISO 9001:2015 Certified.  
100% inspection before shipment.

## RAPID DELIVERY

Prototyping in as fast as 3-5 days. Agile global logistics.

## COST-EFFECTIVENESS

Professional DFM (Design for Manufacturing) to optimize your margins.

# DIRECT FROM THE SOURCE: ELIMINATING THE MIDDLEMAN

Wins Tech Limited is not a trading company; we are the manufacturers. Founded with over a decade of industry expertise (Est. 2012), we operate directly from Zhejiang, the heart of global manufacturing.

**Transparency:** Direct communication with the factory floor.

**Stability:** Registered capital and long-standing legal presence in both Hong Kong and Mainland China.

# FROM SKETCH TO SCALE: WE ACCEPT ANY DRAWING

Whether you need a single prototype or mass production, our facility is engineered for flexibility. We provide comprehensive OEM and ODM solutions tailored to your exact specifications.

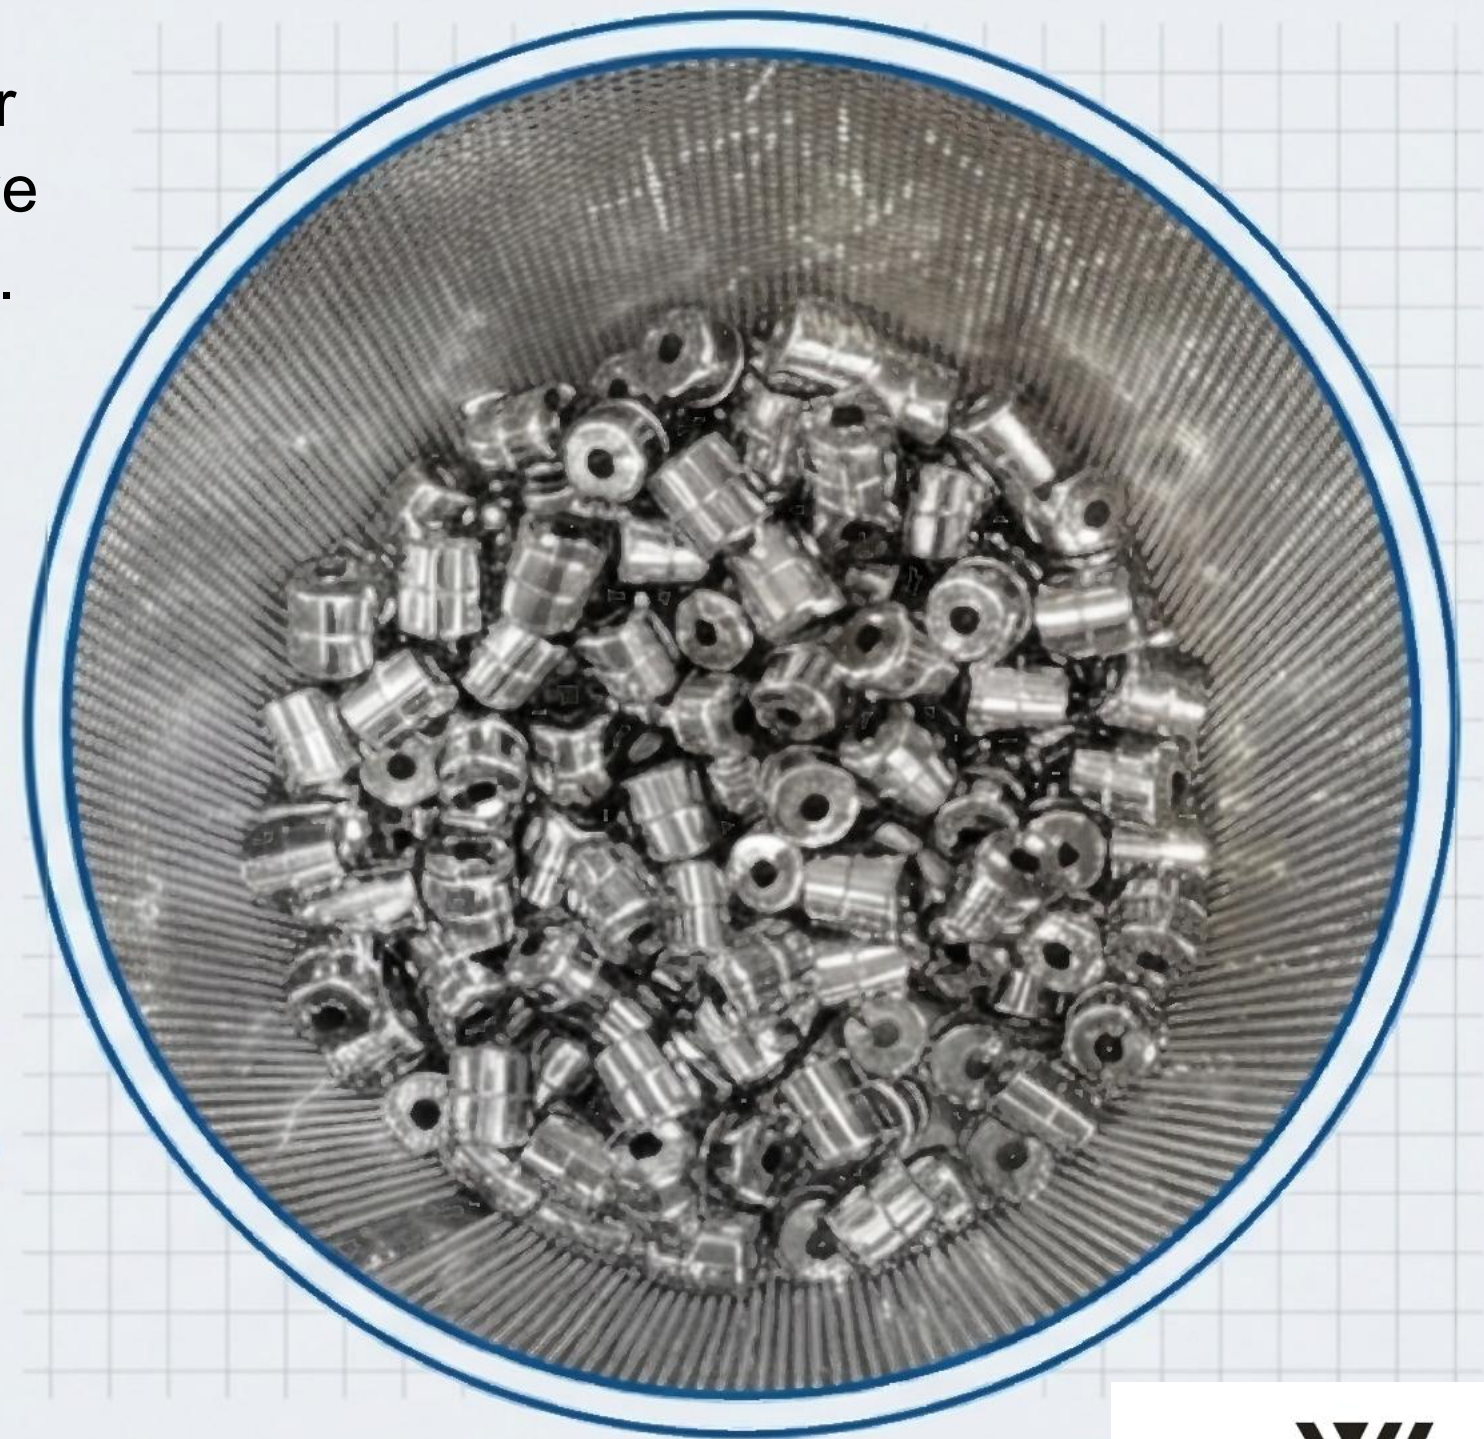

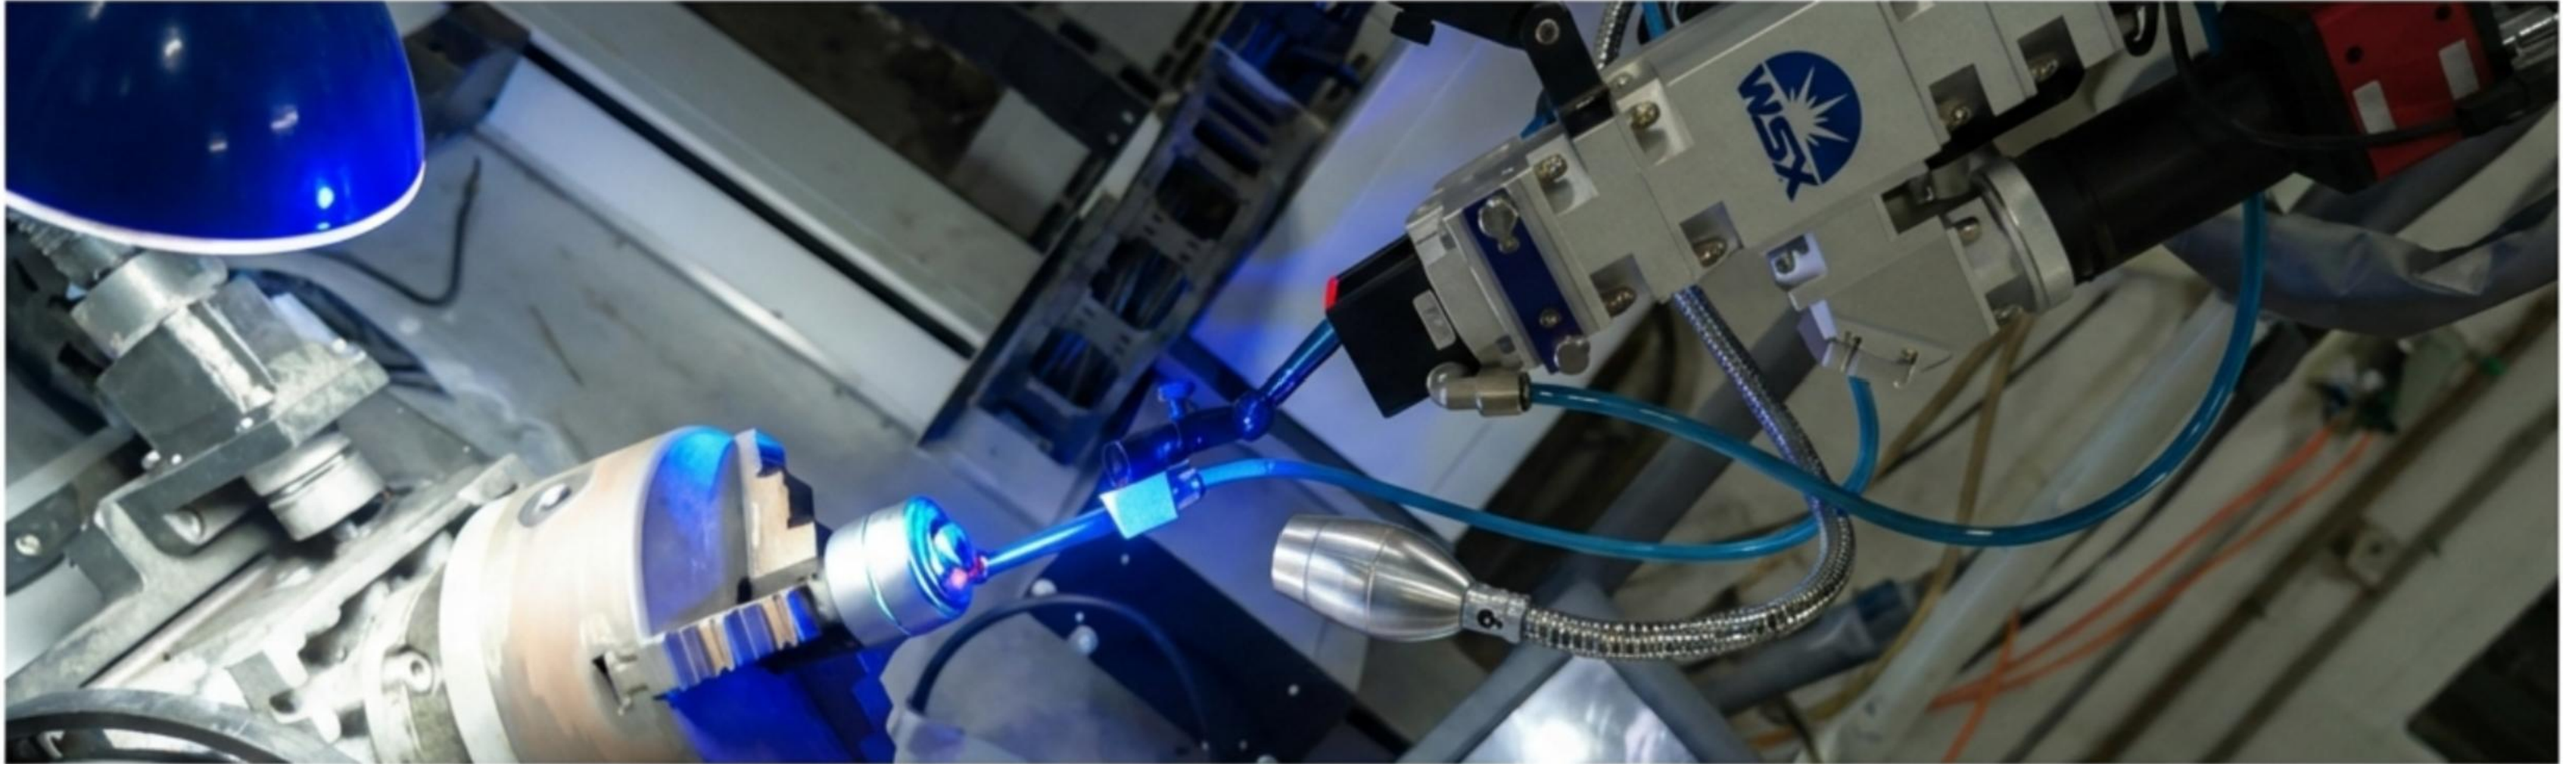

## MATERIAL VERSATILITY

- ✓ **METALS:** Aluminum, Stainless Steel, Copper, Brass, Titanium.
- ✓ **PLASTICS:** ABS, POM, PTFE, PEEK, Nylon.

Supporting **High-Mix, Low-Volume** orders with precision.

# ADVANCED INFRASTRUCTURE FOR COMPLEX GEOMETRIES

Our workshop is equipped to handle the most demanding technical requirements.

## EQUIPMENT LIST

- High-speed 3-axis,4-axis,and 5-axis CNC milling machines.
- Precision CNC lathe turning centers for cylindrical parts.
- © -Specialized Laser Machining &Broaching tools.

## SECONDARY PROCESSES

- Surface finishing including Anodizing,Plating, Sandblasting,and Powder Coating.

# CERTIFIED EXCELLENCE: ISO9001:2015 STANDARDS

Quality is not just a promise; it is a documented process.  
Every part leaving our facility undergoes rigorous testing.

## TOLERANCES

# +/-0.01mm

Achieving up to 0.005mm for critical components.

## INSPECTION

# 100%

Using CMM (Coordinate Measuring Machines) and optical systems.

## COMPLIANCE

# RoHS/REACH

Full material traceability.

# SPECIALIZED MASTERY: LIQUID LEVEL SENSORS & FLOATS

Beyond general machining, Wins Tech possesses specialized production lines for stainless steel floats and sensors.

- Floater & Float Switches
- Proximity Switches
- Precision spherical welding and finishing

*"Make Perfection More Perfect.  
Stable, reliable, and cost-effective."*

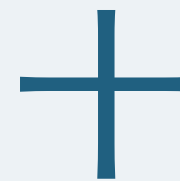

# MAXIMIZING YOUR MARGINS THROUGH EFFICIENCY

We combine direct manufacturing with engineering intelligence to lower your total landed cost.

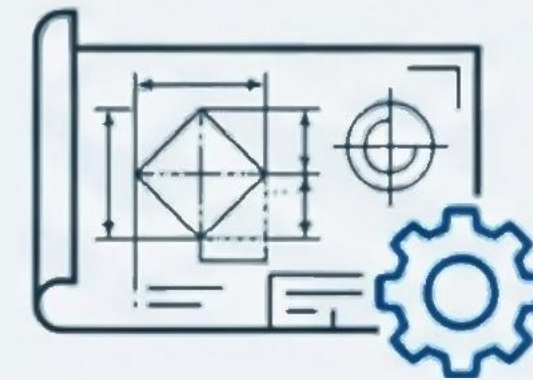

## FACTORY DIRECT PRICING

Zero markup from trading intermediaries.

## DFM SUPPORT

Engineers optimize designs to reduce waste and machine time.

## LOWER TOTAL COST & HIGHER SPEED

Efficient manufacturing processes directly translate to improved profitability and faster delivery.

# AGILE LOGISTICS : RAPID TURNAROUND & GLOBAL SHIPPING

Speed is critical. We optimize our workflow to minimize downtime from order to shipment.

- **PROTOTYPES:**  
3-5 Days
- **LOGISTICS PARTNERS:**  
DHL, FedEx, UPS,  
Reliable Freight Forwarders

# POWERING INNOVATION ACROSS INDUSTRIES

Our precision components are trusted in critical applications worldwide.

## AUTOMOTIVE

Engine components,  
custom brackets.

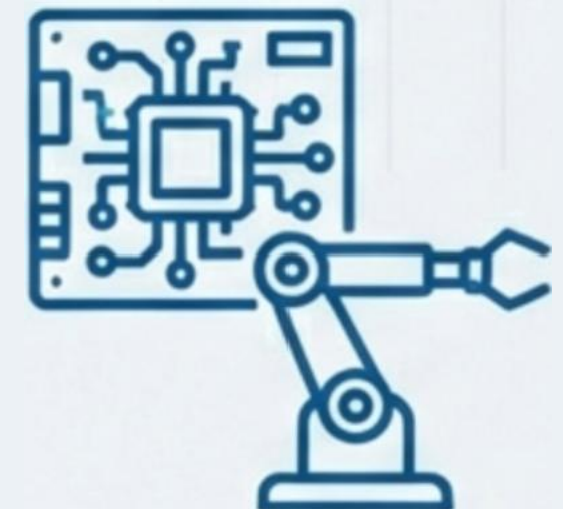

## MEDICAL

Surgical instruments,  
device enclosures.

## AEROSPACE

High-strength, lightweight  
precision parts.

## ELECTRONICS & ROBOTICS

Heat sinks, casings,  
gears, and arms.

---

# READY TO SCALE?

# LET'S START YOUR PROJECT.

Partner with a manufacturer that prioritizes your quality, schedule , and budget.
